

Monday 30th October

Dear Parents

As you know, this term Year 6 are studying the Ancient Greeks. In order to help their understanding of this topic, we have arranged for the children to have a Greek Day at school on **Monday 13th November**. The day will consist of many different activities.

We have arranged for a theatre group called Theatre Exchange to lead a workshop to kick start our day, where the children will be able to take on an active role which will give them a great insight into the life of Ancient Greek people. During the afternoon, the children will then have the opportunity to try a range of traditional Greek foods. Therefore, we will need to know if your child is allergic or reacts badly to any particular foods (not picky eaters!) We do hope that in order for the children to take full advantage of the day that they will be able to ***dress-up in the style of the Ancient Greeks***. The costumes do not need to be extravagant, a white sheet draped over the body, with a hole cut for the head, then tied up with a piece of string for the belt and finally flat sandals or flip flops will be sufficient. Of course, if you do feel the need to make something more fantastic, that would be great! *Please see overleaf for some fantastic Greek dress-up ideas*. As well as our Greek Day, the children will be making Moussaka later on in the week in order to try some traditional Greek food.

Also this term, Year 6 will be designing and making their very own pair of slippers as part of DT (they do not have to be Greek themed!) which they will be able to bring home and wear as they will be made to measure!

Of course, all of these extra activities and experiences are unfortunately not without cost. We would appreciate it if you would be able to make the contribution of **£12.00** towards the cost of these activities. This will cover the cost of the workshop, food tasting, the ingredients for making Moussaka and all of the materials needed so that they are able to bring home their wonderful art and DT work.

As always, many thanks for your support
