The Grounds

When you step into Gravenhunger mansion, you will be greeted by some lovely ancient bronze gates. The garden is wild with wildflowers and twisting paths which anyone would enjoy exploring. The paths lead you to a lovely, colourful forest and you can climb trees and run around.

The Inside of the Manor

As you enter the majestic manor, you will see a lovely wooden carved staircase with a cosy fireplace that heats up the house. In the huge kitchen, you can have huge parties. It has a secret lab which you can turn into a gaming room or cinema. If you struggle walking up the stairs, there is space to add a lift which could be used to reach the top floor. Outside, there is a private river, which you can go swimming and fishing in.

With the beautiful Gravenhunger manor house right next to the beach, there will always be something to do. I can't wait to show you around.
