Dear all,

Macau Class has had a wonderful time today splashing around in the river! We went down to the Gilbert White centre and learnt all about how a river works.

Congratulations to Wainhouse class for performing their brilliant assembly about the Ancient Greeks!

It was wonderful to take 20 of our children to the theatre in Woking this week to see 101 Dalmatians. Whilst most of the dogs on stage were expertly controlled puppets there was a lovely surprise at the end! The children had a great time and a few lucky ones after the show got to meet Kim Marsh, aka Cruella, at the Stage Door! They also met up with Rachel, who stars in the Aldershot panto annually and who has been to Tower Hill a few times before. She played a few different parts in the show with a total of 7 wig changes!

Year 5 was fascinated to hear all about the job of our local PCSO who came to visit this week. She told the children all about what she does in the community and they spoke about the very important messages for e-safety. You can find our 'Computing Matters' newsletter alongside this weeks newsletter.

Lastly in this weeks news, it was brilliant to hold our first Reading Ambassadors meeting! 19 pupils are joining me in this first part of the year to spread the joy of reading around the school. We talked about our plans and they shared their favourite books with each other. I look forward to meeting with our new Cyber ambassadors and Sustainability ambassadors next week.

If you haven't yet done so please make an appointment with your class teacher at next weeks parents evenings.
