Dear Parents and Carers,

Christmas has started with a huge bang at Tower Hill this week with our wonderful Christmas Market. We hope you enjoyed the festivities! I am over the moon to tell you we raised £3500 just on the day, all of which will go towards ensuring the children have the very best equipment and resources. Many thanks to all those involved in making it so successful! If you let us borrow equipment please come to the office to collect! The next two weeks are filled with exciting events including the YR Nativity at Christ Church Cove, the KS1 and KS2 shows, Christmas lunch, parties, Pantos.....the list goes on. As we get closer to the big day the children inevitably are becoming tired (as are the grown ups!) but please try to get your children into school on time...we are having more and more late arrivals. This is not good for the children's confidence so we would really appreciate your support with this. I look forward to seeing you all at the upcoming performances. Your children really are fabulous!

Thanks to the Year 6 pupils who ran some of our stalls!

Ho Ho Ho!

Governors and site team all getting involved!

Were you lucky on our lucky tree?

The choir did a wonderful job of singing Christmas songs at the Christmas market under the Balloon Hanger this week. Congratulations to Jackson who designed the best Christmas Tree topper!

Values Award Winners

The Christmas Post box will be out next week for your Christmas cards. Our elves will make sure they are delivered! Be sure to put the name of the class on the envelope please!

Achievement:
