Dear Parents and Carers,

A huge welcome to our new Year R children this week, it has been lovely to see all our new families settling in and especially seeing the children using the outdoor play zones for their learning in the glorious sunshine!

Worried about your children online?

A brilliant website www.thinkuknow.co.uk offers advice and support for any concerns you may have about your child using the internet.

Stay safe online

Remember the 5 SMART rules when using the internet and mobile phones.

- S** **SAFE**: Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.
- m** **MEET**: Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.
- a** **ACCEPTING**: Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!
- r** **RELIABLE**: Information you find on the internet may not be true, or someone online may be lying about who they are. Make sure you check information before you believe it.
- t** **TELL**: Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

Good News! We were delighted last week to have a visit from members of the team from Costco, our close neighbours who delivered 80 free rucksacks! We will be using these as prizes for various achievements throughout the year. Thanks Costco!
