

Week 11 - Topic Support Pack

In this pack, you will find all of the instructions, resources and questions that you will need to complete your Topic lessons for this week. This week we will be carrying on looking our topic, Jurassic Jaunt.

Lesson 1 - Geography, Jurassic Coast Research

Use the questions below to help you research all about the Jurassic Coast.

What is a coastline?

Why is a coastline important?

What do you think the Jurassic Coast is? /Where do you think it is? (In your opinion)

Draw a picture below to show what you think the Jurassic Coast looks like today.

Research and find out where the Jurassic Coast is and why it is called the Jurassic Coast!

Lesson 2 - Geography, Jurassic Coast Research

Find, highlight and label where the Jurassic Coast is on the map below. Place a star where we are on the map.

What direction
is the Jurassic
Coast from
where we are?

Lesson 3 - Write a persuasive advert to attract tourists to the Jurassic Coast.

The Jurassic Coast has struggled with so little tourism during lockdown! Your job is to write a persuasive advert about the area to try and attract as many tourists as you can! Consider what the place has to offer!

A holiday resort is **usually** made up of human features that are close to physical features.

Physical features are things that are natural such as land, soil, sand, water, plants, rocks etc.

Human features are things that are man-made (made by humans) such as buildings etc.

Are you ready for some family fun in the sun? If the answer is yes, choose the exclusive Five Palms Hotel for your all-inclusive family holiday.

The award-winning Five Palms Hotel is one of the most modern hotels in the area with something to suit all ages. We are proud to offer three outdoor swimming pools, one indoor pool, a fully equipped gym, a tennis court and luxury spa.

The Five Palms Hotel has a large, air-conditioned restaurant and snack bar which offers a wide selection of food to suit even the fussiest of eaters.

Kids will enjoy the huge, indoor play gym or spending time at one of our fantastic clubs: High Fivers (ages 4-7) and Five Alivers (ages 8-12), both of which run from 9am until 5pm every day, giving adults time to switch off! High Fivers activities include stories, arts and crafts, team games and drama whilst Five Alivers offers a wide range of sports, music, dancing, obstacle courses and more!

Situated on the beach, sea views and balconies come as a standard with every room, as does air-conditioning, satellite TV and an en-suite bathroom.

Our hotel is in a prime location and only 15 minutes away from Palms Airport, so why would you want to go anywhere else?

Thomas (aged 10) said:

"This has to be the best kids club I've ever been to. I absolutely loved the football tournament and obstacle course."

Maya (aged 7) said:

"I made some brilliant things during arts and crafts time and I even made some new friends too! I can't wait to come back next year."

Make it sound as exciting as you can! You are trying to make the Jurassic Coast sound like the best place in the country, to attract as many tourists as you can!

Extension - Slogan

Come up with a catchy slogan to entice holiday makers to come to your resort! You could make a video of your advert and which includes your description and slogan! We look forward to seeing these 😊
