26th June 2020

Dear Tower Hill Children,

Well it certainly got hot this week! We are so excited to be able to invite you back for a visit with your current teacher next week! They are going to be able to show you the new environmental area and they will be giving you your big books and reports to bring home! Before we break up for the summer holidays we will also be inviting you to meet your new teacher. We will tell who that is going to be at the end of next week. You will also have the opportunity to tell your new teacher all about yourself - what you like and don't like!

## The Environmental Area

We finally got to go into the new outdoor classroom to do some learning this week! We caught newts, played noughts and crosses, did artwork, floated boats in the pond and much more!

### SENSORY ROOM

Thank you so much for all your very generous donations towards our sensory room project—we are excited to say although we haven't raised all the money we should still be able to make it happen. If you still want to donate we can make it even better:

We have great news for the summer holidays, Connect4Summer is being delivered in this area at The Grange Community Junior School. This is an exciting opportunity for you and your family to get involved over the summer break.

**All activities are free and for all the family!**

Family Fun Days start on the 29<sup>th</sup> July through to 25<sup>th</sup> August, 20 days from 10-3pm.

Come along with your children and spend the day having fun taking part in activities including, cooking which you can take home, craft, sport and entertainment to watch.

Every day everyone will have a 2-course hot meal at lunchtime where we can all sit down together. Booking is essential as there are limited places each day.

**To book:** please visit their website [www.connect4.org.uk](http://www.connect4.org.uk) and for regular updates see facebook.com/Connect4Summer.

## Are you interested in learning to play an instrument?

The team at Hampshire Music Service (HMS) have created some fantastic, short clips of different musical instruments that are taught by them. These videos are a fantastic resource to learn a little about each instrument and how they are played and can be found on our school website under the music tab. Currently at Tower Hill we offer lessons in keyboard, drums and guitar. As you can appreciate, we have limited time and space in school to accommodate all the instruments HMS offer but if your child is interested in learning

to play one of the instruments featured then please do get in touch with Laura Elliott ( Music Leader)

via the office and we can look at our provision to see what we can do.
