Dear Parents and Carers,

Another very busy week at Tower Hill draws to a close. This week has seen visits, visitors, sporting events, assemblies and parent workshops, phew! We are looking forward to meeting with you all next week at our parent consultation evenings where we will be reviewing the targets set in the summer term annual reports. You will receive written progress reports about your child's learning later in the Autumn term.

Year 4 go to Fishbourne Palace

Y2 Netball Festival - 10 children from Year 2 visited Elvetham Heath Primary School to take part in a netball festival. They played lots of games to develop their skills and even had a go at some small matches against teams from other local schools.

Cross Country Fun Run - 8 children from Years 4 & 5 took part in a fun run at Samuel Cody School. There was a boys race and a girls race and in each, our children ran against over 100 children from other local schools. A very wet and muddy event but a fantastic effort from Team Tower Hill!

Year 1 went for 'a walk around Cove' to explore their locality. They were looking out for man made and natural objects.

Amazing Egyptian homework artefacts designed and made by pupils in Year 3.

Values Award Winners

Achievement:

EY/KS1—Seth

KS2—Bobby

Friendliness:

EY/KS1—Spencer
