Dear Parents and Carers,

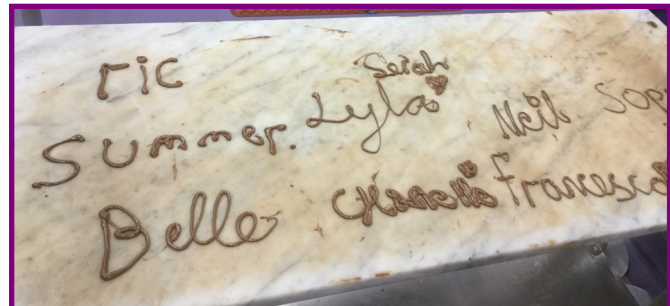

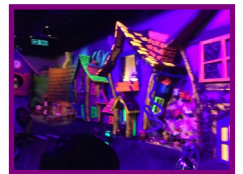

With so much going on at school this week I have been delighted to hear whilst out and about our pupils have displayed the absolute best behaviour towards each other and the adults they have been with. They have made us so proud with their lovely manners and sensible attitudes. It is a huge responsibility to take children out on a visit and for them to get a 'thankyou' from a child at the end makes it all worthwhile. I would like to take this opportunity to thank Cove Educational Trust who have again this year been very generous in giving us a donation of £1200 to support our commitment in ensuring all children are able to be included on our French Residential trip this year.

Best wishes

Miss Laura Ovenden

Year 5 went on a fantastic adventure this week all the way to Birmingham to visit a chocolate factory! They had a brilliant time learning about the Ancient Mayan Civilisation and of course exploring how chocolate is made. They had the opportunity to write their names in chocolate, observe the making of it and were also taught how to temper their own chocolate. Of course at the end of the day they were given the chance to sample the goods!

## Fitbits

I am very happy for the children to wear their fit-bits to school as I believe they encourage our children to make healthy choices. However please be aware they will be asked to remove them if they are causing a distraction during learning time.

## Upcoming dates.....
