

Tower Hill Reading Schemes

At Tower Hill we use a variety of reading schemes to suit all readers. The children are able to choose from a selection of books from the following schemes:

RWI Phonics

Project X

Songbirds Phonics

Rising Stars

Oxford Reading Tree

Alphablocks/ Phonics Bug

Oxford Floppy Phonics

Collin Big Cat Phonics

Read with Biff, Chip and Kipper

Oxford Reading Tree Traditional Tales

Sails

All books used in Year R and 1 match the RWI Phonics scheme so the book children read correlates to the phonics they have been taught.

.

Year Group	Reading category	Description
R	P (Pre Readers)	These are picture books with no words. Children are encouraged to sequence stories using the pictures in the book and their own experiences of stories/ life. Titles can be used to spot sounds and lots of discussion is needed to promote a good understanding of the story.
R	ER (Early Readers)	These are the ONLY books that are not match to the RWI Phonic scheme. They are not phonics based books. These can be used for children who are struggling with phonics or need something different. They have some harder sounds in and difficult red words but the language is repetitive. Children can 'guess' and use the pictures. They will quickly pick up the language patterns. Once the children have read the text on a page ask them to point to a particular word to promote using their sound knowledge. Encourage them to predict what is going to happen.
R	RWI Set 1 CVC	A variety of books which only use very short CVC words. Children just getting to grips with set 1 should try these. Encourage them to look for sounds they know, use the picture and talk about what is happening in the story.
R	RWI Set 1 A	Books with short sentences and easy red words. These are for children who have started to blend and know some red words.
R	RWI Set 1 B	Longer sentences but still relatively easy red words.
R/1	RWI Set 1 C	Longer text. These books are for children who are familiar with Set 1 sounds but need more practise at reading a slightly longer text.
R/1	RWI Set 2	These books continue to give children the opportunity to practise segmenting and blending but contain some Set 2 sounds.
R/1	RWI Set 3	As above but with Set 3 sounds.
1	RWI A	These are mostly Oxford Reading Tree books. These are for the children who are reading fluently and are very familiar with Set 1, 2 and 3 sounds.
