Dear Parents and Carers,

What a brilliant start to the autumn term it has been! All the children (and teachers!) have settled really well into their new classes and routines and we are looking forward to welcoming our new Year R children next week. There have been lots of exciting things happening in school, please read on to find out more.....

Wainhouse Class Go Ape!

Wainhouse Class had a fantastic time at Alice Holt forest on the high ropes. It really put their nerves to the test as they overcame their fears. The sense of achievement as they zoomed down the zip wire at the end was amazing! In the afternoon they built dens using what they could find in the forest—team skills were essential!

Coming Soon.....

As we all know it is vital as a school that we do everything we can to promote the protection of our planet with our children. We will be looking for ways to do this over the coming weeks and terms. In the short term our first approach is to reduce the amount of paper that we consume! We are pleased to announce that we will be moving to a paperless communication system with you. This means all letters will be sent via an online system. Please be assured if you are unable to receive communications this way then we will make sure you still receive a paper copy. We are sure you will agree this is a positive move forward in reducing waste and saving trees!

PREFECTS

Congratulations to these Children who have been Chosen as our Autumn Term Prefects:

REWARDS

After consulting with the children across the school about which rewards they like we are delighted to share with you our new 'Values Awards'. Each week a child from both EY/Key Stage 1 and Key stage 2 will be awarded with one of the six value awards representing the value (**Respect, Achievement, High Expectations, Friendliness, Fairness and Confidence**) that they have demonstrated. These will be nominated by class teachers during the week and presented at Celebration Assembly on a Friday. You will be informed of the winners!

POLITE REMINDERS

NUTS! Please remember we are a 'nut free' school and to avoid anything containing nuts in lunchboxes please.

Residential Parking—At drop off and pick please refrain from parking in resident bays by the housing outside the school. This can be a very frustrating thing for our neighbours if they can't get in or out of their drives.

NITS! Please be vigilant for head lice and check your children's hair regularly. If you find eggs or live lice please consult a pharmacy immediately and treat your child's hair in order to reduce the risk of spreading.

Thank you for your co-operation with this.
