

#### **Tower Hill Primary School**

### Pupil Premium Funding Expenditure Report: 2017/18

The Pupil Premium is allocated according to the numbers of children from low-income families who are currently known to be eligible, or have been eligible at some point within the last 6 years, for free school meals (FSM/Ever 6) in both mainstream and non-mainstream settings; and children who are deemed to be 'looked after' by the Local Authority. Service Premium is also allocated for children whose parents are currently serving in the armed forces, or have been within the last 5 years (Ever 5).

It is for schools to decide how this additional funding is spent but they must be accountable for this, showing the impact the funding has on supporting children with their learning to ensure at least good attainment and progress. We publish our allocation of Pupil Premium; list our plans and actions for its distribution; and detail its impact on our website & in our School Prospectus.

### How Much Pupil Premium Have We Received for 2017/18?

2017/18 (estimated at this point of the year)	£1 320 pp / £300 per Service Pupil
Total number of pupils on roll	299 (as informed by Pupil Census Oct 16)
Total number of pupils eligible for PP	105 (as at Pupil Census July 17)
Amount received for FSM/Ever 6	£138 600
Total number of pupils eligible as Service	13
Amount of PP for Service Children	£ 3 900
Total number of Post Looked After Children	1 (+1 for 2 terms)
Amount received for Post Looked After Children (2)	£ 2900
Total Amount of Pupil Premium received	£145 400

#### **Barriers to Future Attainment**

Aim: To enact provision which will help to reduce and ultimately remove the following identified barriers to the progress made and/or attainment reached for children eligible for Pupil Premium funding: not all identified pupils will encounter these barriers

- 1 Very low baseline entry levels in language development which impact reading & writing skills acquisition in future years
- 2 Limited adult home support to engender a value on learning and aspirations to achieve well, negatively affecting engagement and motivation
- 3 Emotional and mental health issues through disrupted home circumstances which impact focus on learning and success in social integration
- 4 Lack of opportunity to engage in experiential learning outside of school due to family financial circumstances which limits capacity to contextually self-apply

#### Nature of Support from Funding

	Aim: Accelerate progress of those children who demonstrate delays in order to Close the Attainment Gap with Non-Pupil Premium Children				
1	Focus on Learning: Direct Impact on Standards	£ 78 155 = 54% of Actual Income			
1	Focus on Learning: Developing Teaching Practice	£ 23 420 = 16% of Actual Income			
2	Focus on support for families/community	£ 16 580 = 11% of Actual Income			
3	Focus on Social, Emotional, Mental Health Development	£ 18 285 = 13% of Actual Income			
4	Focus on Enrichment in/beyond Curriculum	£ 8 960 = 6% of Actual Income			

How is the Pupil Premiun Item/Project	Approximate Costings	Objective	Impact	
1.Focus on Learning: Direct		Standards		
Desired Outcomes: Pupils eligible for PP – and those 'at risk' of being PP – make accelerated progress by the end of Reception Year so that the proportion of PP pupils not at Age Related Expectations reduces; and by the end of KSII, attainment or/and progress is in-line with Other Pupils i.e. non-Disadvantaged				
Continuing provision of Communication & Language Practitioner and delivering small group sessions with identified pupils with low level communication entry skills	£22 580	Liaise directly with key feeder local pre-schools to facilitate language development with a focus on Speech & Language before commencing Tower Hill & ensure transition programme in-place on entry.	Prior to entry to TH: 25 pupils : focus of CLP work pupils, to develop listening & attention skills and expressive vocabulary from two key feeder pre-schools. End 2017: GLD Disadvantaged Pupils: • 80% (Nat 57%) Outcome: HIGH Impact	
Leading KSI Booster Phonics/ Reading sessions to embed phonics skills	£5 980	Children who entered EY with significant delays in communication & language acquire phonics skills through learning letter sounds, to blending, to reading at increasing pace and success, leading to an increasing proportion 'Meeting the Phonics' standard at end of Y1.	End 2017 (Y1): CLP focus pupils from entry (23) who MET Y1 Phonics Standard - 83% (19) MET Standard 85% (Y1) MET Standards 48% who MET Standards ≥ 36 words correct: 90%+ success rate Outcome: HIGH Impact	
Delivering KSI English & Maths Booster Groups	£5 500	Intervention English & Maths teaching of children identified as not on track to meet Age Expectation at the start of the year to ensure that progress is accelerated.	Ofsted Inspection Data Summary Report Jan 2017 - Headline: 'In 2017, reading attainment of the expected standard was at or above national for the disadvantaged group.' Maths: [Nat ALL 75%] TH Disadvantaged 57% Outcome: Good Impact	
Delivering KSII English & Maths Challenge Groups	£12 520	Accelerate the progress of pupils who demonstrate challenges in overcoming barriers to learning by Over- Teaching i.e. repetition of less secure concepts thus also impacting the ratio of High Quality Class Teacher support for pupils identified as with potential to 'Work Beyond' Age Related Expectations.	Disadvantaged Pupils : Expected + Accelerated Progress at end 2017: Read Write Maths Y3 74% 74% 74% Y4 77% 62% 77% Outcome: Good Impact

# How and When is the Impact of the Pupil Premium Evaluated?

We evaluate the impact of this additional support alongside our regular assessment cycle and ultimately following receipt and analysis of our performance data in the Department for Education's Autumn Term release of 'own school:national' data analysis: Analysing School Performance (ASP) and the Ofsted Inspection Data Summary Report. See **Impact Table** below. Evaluation focuses on academic gains and personal development, including how pupils' selfconfidence has improved as a consequence of intervention.

Performance against Tower Hill's previous, and national, outcomes is the key consideration in evaluation.

Linda Tansley

Headteacher
