Dear Tower Hill Children,

I hope you have had a good week and are enjoying this fabulous sunshine! It has been brilliant to see some of you on your zoom calls this week and I'm loving hearing about the work you've been sending to your teachers. It sounds like lots of baking has been happening all over Farnborough. I know I am going to need to do a lot of Golden Mile running when we are back at school! Thank you to those of you who tuned in to listen to my assembly and to meet my dinosaur, Denver! Mr Collins has put an assembly on the website for you today all about VE Day, it is the 75th Anniversary today! Are you celebrating in some way? Perhaps you've made some bunting or have had a tea party at home? Have a lovely weekend.

Miss Ovenden

VE Day at Tower Hill

VE Day celebrations look a bit different for us all this year! At Tower Hill, we have done our best to honour the memory of our service personnel and commemorate the 75th anniversary of this momentous day. There is a special VE day assembly on the website for you all to watch, alongside links to VE day home learning and virtual street parties happening across the country. Happy VE day to everyone in our school community and hopefully before long, we'll meet again!

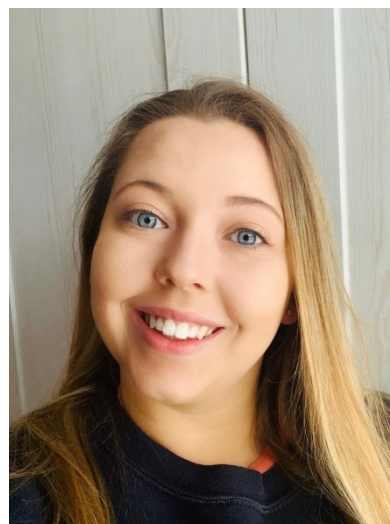

Hi everyone!

I hope you are all well and staying safe during this time! I know that it can be really easy to become bored at the moment but here is something I do - dance! Those of you who have been in my dance club or dance challenge group know how passionate I am about dancing, especially street dance and hip-hop! To keep myself busy, I am challenging myself to learn new dance moves and routines each week! So far, I have had about 15 Zoom dance classes! On Wednesday 29th April, it was National Dance Day! Did you celebrate it? If you would like a challenge, try and create your own dance routine! I would love to see some of your dance moves!

Stay safe and keep dancing!

Miss you all lots (like jelly tots!)

Miss Knight

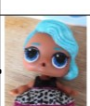

HOME LEARNING

Last week we launched our campaign to raise money for our much wanted Sensory Room. We would have been busy fundraising through school events such as film nights, fayres and mufti's so in the absence of that this term we have started a crowdfunding campaign online where anyone can donate. We are delighted to say we have already raised over £2000 with some very generous donations! With £8000 left to raise to make this dream a reality we would ask you to share the link with anyone you think might be able to help. You can see the rationale on the link as to why we would like to develop the resource and how it will be used in school. It is our hope that we may have it up and running for the start of the Autumn Term. Please go to <https://donatemyschool.com/towerhillprimaryschool2106> to make a donation—every little will help us!!

THANK YOU.

Can you solve Charlotte's LOL doll math challenge? Don't forget to look carefully at the symbols! I will tell you the answer next week!

	+		+		= 27
	+		+		= 261
	+		+		= 143
	+		+		= 66
	+		x		= ?

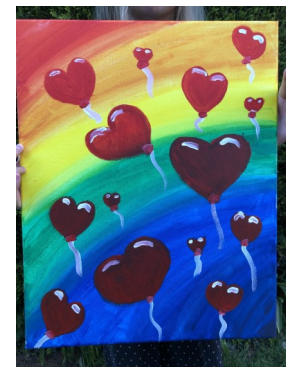

Draw with Rob!

Go to <http://www.robiddulph.com/draw-with-rob> to learn how to draw some really cool characters! Send them into us and we will put them on the newsletter! Here are some from Riley and Lily—we think they look amazing!

Zoom!!! We have loved seeing you on your zoom calls this week! We've have met up with over half the school! Let's beat that next week and see how many people we can get on. Your link is the same as last week and will be at the same time. Come with something to show your friends and teachers and don't forget to try and minimise noise in the background. It would be good to find a quiet space with your grown up to do this if possible!
