

Year 4 Home Learning Menu - Week 14

6.7.20-10.7.20

Have a go at as many of the activities as you can. There are 3 Maths and 3 English lessons for you to complete which you will find more details of in the Maths and English Support Packs. You will need to work through the lessons in order. Have a look at the suggested timetable to help you. There are also 3 topic based activities for you to complete which link to the learning you would have completed at school.

Maths 1 Use you MyMaths login to complete the task, ' Time and Timetables '. Make sure you complete the online lesson before the homework.	Maths 2 Use you MyMaths login to complete the task, ' Time Calculations '. Make sure you complete the online lesson before the homework.	Maths 3 Use you MyMaths login to complete the task, ' Time Conversions '. Make sure you complete the online lesson before the homework.
Literacy 1 Read the play script provided and answer the comprehension questions using your reading skills.	Literacy 2 Look at the play scripts and colour coded the different features that you ca see.	Literacy 3 Using what you know about play scripts, write your own play script based on an event of your choice.
Topic 1 Computing Using the prompts and website provided, create your own quiz on Scratch. This will be similar to the Maths quiz we made in school.	Topic 2 French Research some of your favourite foods in French and write the translations in the table.	Topic 3 French Using your research on French food, create your own French menu for a restaurant or café.
Extension: <ol style="list-style-type: none">1. Write a sentence of what you would say in French, if you were ordering your favourite food. Use a dictionary or Google translate to help you were needed.2. Answer the test style questions based on the Maths objectives covered.3. Look at the passage given to you, use your proof reading skills to edit the mistakes.
