

Les Animaux

You are writing a help sheet for KS1 children to learn the names of different animals in French! I know that you are all great at this, so you are the best people for the job! I will show these to Mr Collins when you have done them!

You can create a poster for this, you can create a colourful vocab sheet, or you can create a table with pictures (either drawn or from google!)

If you can, try to include some others that are not on the list!

Vocab you will need:

Le Poulet- chicken

Le chèvre- Goat

Le cheval- Horse

Le chat- cat

Le Chein- dog

Le Poisson Rouge- Goldfish

Le Cochon d'Inde- Guinea Pig

Le Hamster- Hamster

Le Lapin- Rabbit

L'oiseau- Bird
