

Year 5 Home Learning Menu – Week 6

Have a go at as many of the activities as you can. There are 3 Maths and 3 English lessons for you to complete which you will find more details of in the Maths and English Support Packs on the VLE and website. You will need to work through the lessons in the order I have shown them. Have a look at the suggested timetable to help you with this. There are also 3 topic based activities for you to complete which link to the learning you would have completed at school.
