Dear Parents and Carers,

With four more weeks to go to the end of term I am trying not to mention Christmas too soon.....however I have heard songs being sung and scripts being read that implies Christmas has firmly begun at Tower Hill! We have started to practise the Christmas performances and will give you information on how to order tickets in due course. Please look out for letters informing you of the details for rehearsals! We also look forward to inviting you to our 'Outdoor Christmas Market' on Thursday 5th December.

This week Year 6 went to the Harry Potter studios to see where it was filmed. We had a brilliant day exploring the sets and escaping from fearsome dragons! The work that has been generated from this visit has been outstanding!

This week the children in Years 2—6 have been setup with a Time Tables Rock Stars account where they can compete against their friends! This is a really fun and engaging way to learn their times tables. They can play this at home and see how high they can get on the leader board. Who can beat Mr Collins or Mrs Ward?

All was quiet... all was still. I could hear my breath slowly, quietly, gently hanging in the air like time has stopped yet my cautious heart beat rapidly like there was no tomorrow. We were on the train... then...but now I don't call it the train, it is something much more sinister...

It was an eerie, pitch black, unwanted night. Rain poured down over the drenched train like 1 million giants were crying. Suddenly, the train cried to a halt allowing everyone to sit there clueless. Looking out the door that leads to a long dark and nerve racking cabin, I could see nothing but confused people. As I sat down, there was a sudden high pitched aching, blood crying voice. They were here...

A scabby, spindly, sinister hand reached over like it was looking for something... and that something was me.... Along with it came an oval face which sent shivers down my spine. I screamed. It lay its beady eyes on me. Then everything stopped...
