Dear Parents and Carers,

Even though the wind and rain has continued to inflict itself on us this week, at Tower Hill we have continued on as normal with fun things happening in all classes. Year 3 have braved the elements to go to swimming whilst our football team were blessed with a window of sun! The new SCL after school care club started this week with good attendance. The children were involved in some great fun activities with lots of children complaining when it was time to be picked up! You can book on at any time for any day and any length of time. A highlight this week was our family quiz night that was enjoyed by all who attended. Huge thanks to Miss Riley for organising it. As I write this I am looking forward to 'top table' where 6 children from each key stage have been invited to come and have a tea party in my office (my favourite part of the week!)

I have sent out the county information to you all regarding the current Corona Virus news. Rest assured I will keep you updated with any changes as and when I am informed of them.

Best wishes

Miss Laura Ovenden

## Book Week

Book Week is set to get off with a great start next Thursday with the children being invited to come to school as their favourite book character! We can't wait to see who they are going to be. Miss Dinsdale has organised a whole host of other exciting activities in school to mark the occasion including potato character competition, a fairy door competition, take a 'shelfie', teacher swaps, author visits and workshops. This is all to promote a life long love of reading.

## Pancake Day

The children in YR enjoyed celebrating pancake day this week by making their own and of course eating them! The favourite topping was unsurprisingly chocolate spread!

## Go Team Tower Hill!

Last night, our boys football team completed an undefeated league campaign with a 6-0 victory over Grange. Goals from Tyler-Joe, Josh (2) and a hat-trick from Tafara wrapped up the league title! Congratulations Boys and good luck in the upcoming quarter final of the District Cup!

## Jenny Mosley

Friday 14th Feb was an INSET day at Tower Hill where the children got a day at home with you! The teachers however still came to school to develop their teaching skills and to learn new things to do with your children. We had a brilliant day lead by a lady called Jenny Mosley who promotes ways to support emotional health, wellbeing, respect and positive behaviour. Part of this was learning games and fun activities that we can do with the children. This week I have observed so much of what the teachers and support staff learnt in the classrooms. A highlight was the clapping games! We got the Y1 and Y6 pupils together to practise!
